

**NEW!**

# Energy Efficient LED Technology

AS LOW AS 15 TOTAL WATTS PER UNIT!

# DOKSTAR™ LED LOADING DOCK LIGHT

## DESIGNED TO ILLUMINATE TRACTOR TRAILERS UP TO 53' WHILE LOADING AND UNLOADING

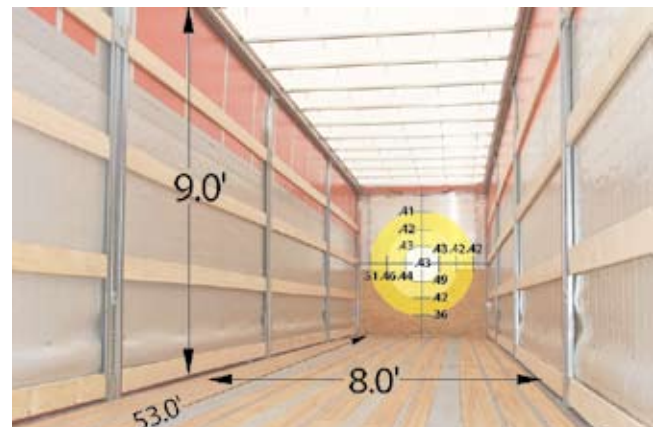

Low maintenance costs coupled with our advanced thermal management techniques insure the Dokstar™ will perform over time where many competing offerings will not. Dokstar™ Series LED Loading Dock Lights deliver high quality superior light over incandescent, quartz or metal halide fixtures traditionally used in loading dock applications.

- Dokstar™ series LED loading dock lights use as little as 15 watts compared to as much as 500 watts in quartz dock lights
- Dokstar™ series LED loading dock lights have crisp clean white light at 6000K for better quality of light than incandescent or metal halide alternatives
- The Dokstar™ L70 life is estimated at 100,000 hours or more, giving you a low maintenance long life unit
- Rugged die cast housing coupled with stainless steel fasteners and a tempered glass lens equals a fixture that will perform in a busy loading dock environment
- Units are listed to UL1598 for use in wet locations

Dokstar™ with optional Dock Arm – DSDL40

## FOOTCANDLE PERFORMANCE

Actual measured lighting levels on the back wall of a 53' trailer. Very even lighting of about 0.50 footcandles. The crisp white light of the LEDs results in very good visibility.

# DOKSTAR™

## LED Loading Dock Light

INDUSTRIAL

Dokstar™ Series LED Loading Dock Lights require 97% less electricity, far less energy than traditional fixtures while accomplishing the same lighting task. Dokstar™ Series LED Dock Lights provide cost savings combined with energy savings, longevity and quality.

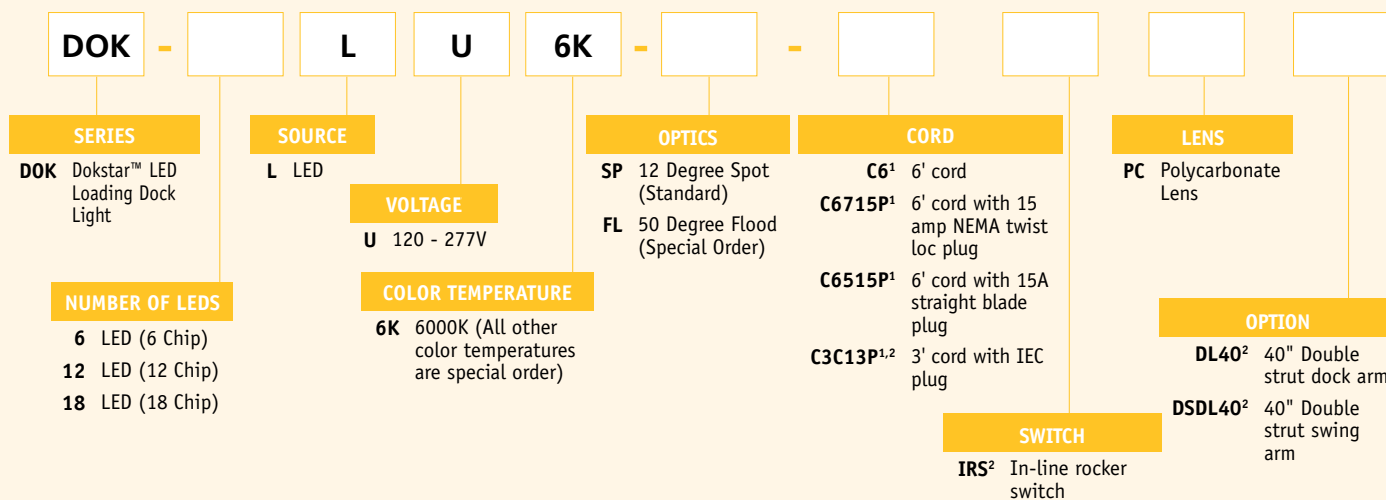

Low maintenance costs coupled with our advanced thermal management techniques insure the Dokstar™ will perform over time where many competing offerings will not.

Dokstar™ Series LED Loading Dock Lights deliver high quality superior light over incandescent,

quartz or metal halide fixtures traditionally used in loading dock applications.

- Dokstar™ fixtures are perfect for industrial, manufacturing and warehousing
- Designed to illuminate tractor trailers up to 53' for loading and unloading
- Excellent for any application requiring long life and low maintenance costs
- Low maintenance costs coupled with our advanced thermal management techniques insure Dokstar™ will perform over time
- Units are listed to UL1598 for use in wet locations

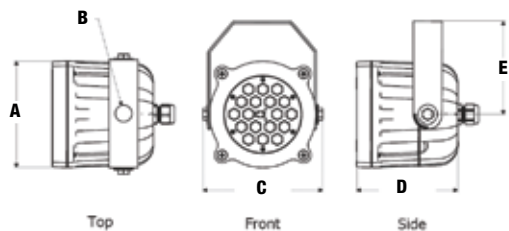

### ORDERING INFORMATION

BASE MODEL	TOTAL WATTS	NUMBER OF LEDS	DRIVE MA	COLOR TEMPERATURE	LUMENS
DOK-12LU-6K-SP-350	15w	12	350MA	6000K	861
DOK-12LU-6K-FL-350	15w	12	350MA	6000K	783
DOK-6LU-6K-SP-700	17w	6	700MA	6000K	776
DOK-6LU-6K-FL-700	17w	6	700MA	6000K	715
